

# 37+ Family Tree Ideas School Project for Kindergarten 2026

November 6, 2025

A family tree is a fun way to show who is in your family. In kindergarten, making a family tree helps children learn names, relationships, and how to organize information. This article gives many simple, safe, and creative **family tree ideas school project for kindergarten**.

Each idea is written in easy language so a student can understand and use it. You will also find examples and short instructions that teachers, parents, or children can copy and paste into their project sheets.

This guide includes:

- A short list of simple materials and steps to make a family tree.
- 50 detailed project ideas for kindergarten students with examples.
- Tips for presenting the project at school.
- A friendly outro to help you finish the project.

Use these ideas to choose one that fits your materials and time. Many projects can be done with crayons, colored paper, glue, and family photos. Some projects are art-focused, some are craft-based, and some include a story or song. Let's get started!

## Materials and Simple Steps

Most **family tree ideas school project for kindergarten** will use these simple materials:

- Paper (A4, chart paper, or colored sheets)
- Crayons, markers, colored pencils
- Glue stick and safety scissors
- Family photos or printed pictures (small)
- Construction paper or felt pieces
- Stickers, buttons, sequins (optional)
- A pencil and eraser

Simple steps for most projects:

1. Decide the type of tree (paper, handprint, fingerprint, poster, booklet).
2. Draw the trunk and branches lightly with a pencil.
3. Add names and relationships (e.g., Mom, Dad, Grandma).
4. Attach photos, drawings, or labels.
5. Decorate with colors and stickers.
6. Write one sentence about the family (example: "This is my family. I love them.").

# 50 Family Tree Ideas School Project for Kindergarten

Below are 50 clear, child-friendly project ideas for **family tree ideas school project for kindergarten**. Each idea includes a short description and an example you can copy.

## 1. Handprint Family Tree Poster

Description: Use paint to make a tree trunk and branches, then add handprints of family members as leaves. Each handprint gets a name label.

Example: Paint a brown trunk, then add baby's handprints in green as leaves and write "Mom," "Dad," "Me."

## 2. Fingerprint Leaf Tree

Description: Draw a tree and let each family member add a fingerprint for a leaf. Use different colored ink pads.

Example: Dad presses a blue fingerprint and you write "Dad" under it.

## 3. Photo Circle Family Tree

Description: Cut circles of paper and glue a photo in each. Arrange circles in a tree shape and connect with lines or yarn.

Example: Glue your photo at the bottom circle and parents above connected by lines.

## 4. Popsicle Stick Tree

Description: Glue popsicle sticks into a tree trunk and branches, then attach paper leaves with names and photos.

Example: Glue three sticks for a trunk, add leaves with "Grandma," "Grandpa," "Mom."

## 5. Felt Family Tree on Cardboard

Description: Cut tree parts from felt and stick them on cardboard. Add felt people or photo frames.

Example: Green felt leaves with stitched name tags for each person.

## 6. Storybook Family Tree

Description: Make a small booklet where each page shows a family member and one sentence about them. Tie pages together with yarn.

Example: Page 1: "This is my mom. She cooks." with a drawing or photo.

## 7. Silhouette Tree Collage

Description: Cut black silhouettes of family members from paper and place them on a bright tree background.

Example: Black cut-out of a person labeled "Uncle" glued near a branch.

## 8. Sticker Family Tree

Description: Use sticker faces or character stickers as family members and place them on a drawn tree.

Example: Stick a smiling sticker for "Me" and a friendly sticker for "Sister."

## 9. Button Leaf Tree

Description: Use buttons as leaves; glue them to branches and label each button with a name.

Example: Blue button with "Dad" written next to it.

## 10. Footprint Family Tree

Description: Use footprints (painted or traced) for larger leaves; smaller children can add thumbprints for fruit.

Example: Baby's small footprint labeled "Me" at the lower branch.

## 11. Photo Frame Garland Tree

Description: Make small photo frames from paper and hang them on a painted tree trunk with string.

Example: Tiny frames with photos of grandma and grandpa hanging from branches.

## 12. Nature Collage Family Tree

Description: Collect twigs, leaves, and small flowers to make a textured tree. Add paper labels with names.

Example: A twig trunk with real leaves glued as foliage labeled with family members.

## 13. Rainbow Family Tree

Description: Make leaves in rainbow colors and use each color for a different branch of the family.

Example: Red leaves for immediate family and blue ones for grandparents.

## 14. Paper Plate Family Tree

Description: Use a paper plate as the base for the tree crown. Decorate with photos or drawings and attach a paper trunk.

Example: Cut a plate in half, color it green, glue photos around the plate edge.

## 15. Family Tree Puzzle

Description: Create a tree picture, cut it into puzzle pieces, and write a name on each piece.

Children reassemble the tree.

Example: Put "Mom" on one puzzle piece and "Dad" on another, then fit together.

## 16. Yarn Wrapping Tree

Description: Wrap a cardboard tree shape in yarn for texture. Attach faces or photos to the yarn branches.

Example: Wrap brown yarn for the trunk and green yarn loops as leaves with labels.

## 17. Balloon Family Tree

Description: Draw a tree and attach small balloons (inflated slightly) for each family member with a name tag.

Example: A balloon labeled "Aunty" tied to a branch.

## 18. Clothespin Photo Tree

Description: Attach tiny photos to clothespins and clip them to a wooden branch or a drawn branch on cardboard.

Example: Clip a 2 cm photo of "Brother" and write his name under it.

## 19. Quilt Patch Family Tree

Description: Use fabric squares for each family member sewn or glued on a fabric tree background.

Example: A blue square for Dad with stitched name letters.

## 20. Chalkboard Family Tree

Description: On a small chalkboard, draw a tree and write names with colored chalk; photos can be taped on.

Example: Chalk writing "Grandma" next to a taped photo.

## 21. Pop-Up Family Tree Card

Description: Make a pop-up tree inside a folded card. Each pop-up branch has a small name or photo.

Example: Open card and a branch pops up with "Me" on it.

## 22. Button People Family Tree

Description: Glue buttons vertically to create small people, then position them on branches and add names.

Example: A big button for head, small for body labeled "Sister."

## 23. Origami Leaf Family Tree

Description: Fold small origami leaves, write names on them, and glue to branches.  
Example: A green origami leaf labeled "Dad" glued to the third branch.

## 24. Sticker Photo Booth Tree

Description: Use a printed photo strip for each person and place strips in a tree shape, decorated with stickers.  
Example: 3-photo strip of "Mom" placed on the left branch.

## 25. Recycled Box Family Tree

Description: Use a cardboard box as a 3D tree. Cut windows to insert photos and label each with a name.  
Example: A small box trunk with photos in each "window" labeled "Grandpa."

## 26. Paper Chain Family Tree

Description: Make paper chains and link them to show relationships. Each link is a person labeled by name.  
Example: Chain link labeled "Me" connects to links labeled "Mom" and "Dad."

## 27. Nature Stick Picture Frame Tree

Description: Glue small sticks into a tree shape on paper, put a photo in the center, and write names around it.  
Example: Tiny stick branches around the photo of the whole family with names around.

## 28. Glitter Glue Tree

Description: Use glitter glue for branches and leaves, then add laminated name tags for each family member.  
Example: Write "Uncle" on a laminated tag glued near a glitter leaf.

## 29. Magnetic Family Tree

Description: Make a tree on a metal board and create magnetic name/photo tags that can be moved.  
Example: A magnetic square with "Me" that the child can move up or down the branches.

## 30. Eco-Friendly Seed Planting Tree

Description: Plant a small potted tree or seed and attach name tags of family members to toothpicks stuck in the pot.

Example: A pea plant pot with small flags for "Mom," "Dad," "Me."

## 31. Paper Bag Puppet Tree

Description: Make small paper bag puppets for family members and arrange them around a drawn tree.

Example: A paper puppet named "Grandma" placed under the drawn tree.

## 32. Suncatcher Family Tree

Description: Make a tree shape from clear contact paper and colored tissue paper for leaves; add names on the tissue pieces.

Example: Sunlight through red tissue labeled "Auntie."

## 33. Digital Slideshow Family Tree

Description: Use a simple slideshow app to display a tree structure with photos and short sentences for each person.

Example: Slide shows "This is my dad" with his photo and a smiling face.

## 34. Nature Pressed-Leaf Tree

Description: Use pressed leaves as tree foliage. Glue pressed leaves on paper trunk and write names on leaf stems.

Example: A pressed maple leaf with "Grandpa" written near it.

## 35. Sticker Tape Tree on Roll Paper

Description: Roll out long paper and draw a giant tree. Use sticker tape to place photos and name labels along branches.

Example: Tape photo of "Me" near the bottom branch.

## 36. Felt Pocket Family Book

Description: Create a small felt book with pockets for photos. Each pocket holds a family member and a small label.

Example: A pocket labeled "Sister" with a tiny photo inside.

## 37. Family Tree with Simple Map

Description: Draw a map that shows where each family member lives and connect them to the tree to show relationships and places.

Example: Draw house icons and connect Uncle's house on the map to his photo on the branch.

## 38. Cloth Doll Family Tree

Description: Make tiny cloth doll cutouts for each person and pin or glue them to a felt tree.

Example: Small cloth doll labeled “Dad” pinned to a lower branch.

## 39. Popsicle Photo Tree Mobile

Description: Make a hanging mobile with popsicle-stick branches and photos dangling as leaves.

Example: A mobile with three photos for each sibling hanging at different lengths.

## 40. Eco-Bottle Family Tree

Description: Use recycled plastic bottles cut and decorated to form a 3D tree. Attach laminated name cards to each “leaf.”

Example: Cut bottle pieces painted green with name tags for each family member.

## 41. Family Tree with Timeline

Description: Draw a simple timeline on a tree trunk to show births (years) for each person and add photos on branches.

Example: A small date “2019” near a branch with your baby photo and label.

## 42. Photo Puzzle Tree Game

Description: Make a tree puzzle where each piece has a photo and name. Children match the piece to the correct branch.

Example: A puzzle piece with “Grandma” placed in her branch area.

## 43. Ribbon-Tag Family Tree

Description: Tie different colored ribbons to branches. Each color stands for a family group; attach small name tags to ribbons.

Example: Red ribbons for parents, blue for grandparents, green for children.

## 44. Seed Bead Family Tree Bracelet

Description: Make bracelets with seed beads that match a color key on the tree. Each bracelet color stands for a family member.

Example: A yellow bracelet for “Mom” and a green one for “Me.”

## 45. Seasonal Family Tree Chart

Description: Paint four sections of a tree for seasons and add family members' favorite seasonal activities with photos and names.

Example: Winter branch shows "Grandpa loves snow" with his photo.

## 46. Comic Strip Family Tree

Description: Create a short comic strip panel for each family member, showing something they like, with their name above the panel.

Example: Panel of "Dad" grilling with caption "Dad likes to cook."

## 47. Family Tree Popcorn Art

Description: Glue popcorn pieces as fluffy leaves on a tree and put small name tags by each popcorn cluster.

Example: A popcorn cluster with a tag saying "Uncle."

## 48. Reusable Whiteboard Family Tree

Description: Draw a family tree on a small whiteboard. Use dry-erase photo magnets or write names so the tree can be changed.

Example: Erase and update the board when a new baby arrives.

## 49. Collage of Favorite Things Tree

Description: Instead of photos, use small pictures of each person's favorite things (toy, food, hobby) to show who they are.

Example: A soccer ball picture for "Brother" with his name below.

## 50. Map-Connect Photo Tree with Yarn

Description: Pin photos on a board and use yarn to connect family members to the main tree picture, showing relationships visually.

Example: Yarn from your photo to Mom's photo to show connection.

# Simple Examples and Short Templates

Below are short example sentences and templates that kindergarten students can use to write about their family tree project. These can be pasted into project notebooks or read aloud in class.

### Template 1 – For a poster:

"This is my family tree. I am (name). My mom is (name). My dad is (name). I have (number) brothers and (number) sisters. I love my family because (one sentence)."

**Template 2 – For a booklet page:**

“Name: (Grandma)

Relation: (Grandmother)

Something she likes: (baking)

One sentence: (My grandma bakes cookies for me.)”

**Template 3 – For labels:**

“(Name) – (Relation) – (Age)”

Example: “Asha – Mom – 32”

**Template 4 – For a short story (3 sentences):**

“My family is small. We live in a red house. We like to play together.”

Teachers or parents can help students fill these templates.

## Presentation Tips for Kindergarten Students

These tips will help kindergarten students present their **family tree ideas school project for kindergarten** clearly and confidently.

- 1. Practice One Sentence:** Learn one or two sentences to say about the family tree (e.g., “This is my family. These are my parents.”).
- 2. Big Letters:** Write names in big, clear letters so everyone can read them.
- 3. Use Photos:** Photos help the class see who is who. If photos are not allowed, use drawings instead.
- 4. Color Code:** Use a color for each family group (parents, grandparents, siblings) to make the tree easy to read.
- 5. Label Clearly:** Use short labels like “Mom,” “Dad,” “Brother,” “Sister,” and “Me.”
- 6. Neat Glueing:** Use a glue stick and press items gently for a neat finish.
- 7. Rehearse with an Adult:** Practice the presentation once with a parent or teacher.
- 8. Keep It Short:** Kindergarten presentations should be short – 30–60 seconds is perfect.
- 9. Bring a Backup:** If you use small pieces, keep a backup photo or copy in your folder.
- 10. Safety First:** Do not write full home addresses; only names and one simple sentence about each person.

## Final Checklist Before Submission

- Names are spelled correctly.
- Photos are securely attached.
- The tree is labeled clearly.
- The child can say one or two sentences about their tree.
- The project is neat and safe to carry.

## Outro

Creating a family tree project is a wonderful chance for kindergarten students to learn about family, practice writing names, and do a little bit of art. This article collected 50 easy and creative **family tree ideas school project for kindergarten** so every child can find a project that fits their materials and imagination. Use the templates, copy-paste examples, and presentation tips to finish the project quickly and proudly.

Pick one idea, gather a few simple supplies, and have fun telling your family's story. If you want, you can pick two ideas and mix them together — for example, a handprint tree with photos in paper frames. Good luck with your project, and enjoy sharing your family tree with your classmates!
